Full Name of Author 1: _____ write the contribution of the first author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |

Full Name of Author 2: _____ write the contribution of the second author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |

Full Name of Author 3: _____ write the contribution of the third author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |

Full Name of Author 4: _____ write the contribution of the fourth author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |

Full Name of Author 5: _____ write the contribution of the fifth author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |

Full Name of Author 6: _____ write the contribution of the sixth author choosing the relevant actions, but not limited to:

- | | | | |
|-----------------------------------------------|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <input type="checkbox"/> Conceptualization; | <input type="checkbox"/> Investigation; | <input type="checkbox"/> Methodology; | <input type="checkbox"/> Project administration; |
| <input type="checkbox"/> Software; | <input type="checkbox"/> Formal analysis; | <input type="checkbox"/> Writing – original draft; | <input type="checkbox"/> Supervision; |
| <input type="checkbox"/> Data curation; | <input type="checkbox"/> Validation; | <input type="checkbox"/> Writing – review and editing; | <input type="checkbox"/> Visualization; |
| <input type="checkbox"/> Funding acquisition; | <input type="checkbox"/> Other: _____; | | |
